Dear Ms. Canfora:

Subject: WARN Act Notice to Non-Represented Employees

The purpose of this letter is to advise you that Automotive Components Holdings, LLC will be permanently laying off one (1) non-represented employee at its Milan Plant located at 800 County Road, Milan, MI 48160 as a result of the sale of the fuel tank business at that location.

The attached list provides the job titles and number of affected employees in each job classification and their anticipated date of separation. These reductions may be affected in the interim by a number of factors such as voluntary quits, retirements and other changes to the workforce. Bumping rights do not exist for these non-represented employees.

It is anticipated that these employees will be impacted by this action between the dates April 30, 2011 and May 13, 2011.

For further information regarding this matter, please contact myself at (734) 481-9421.

Yours truly,
